# Type to Learn<sup>®</sup> Assessment

Grades 3 and up

## Evaluate your students' keyboarding progress

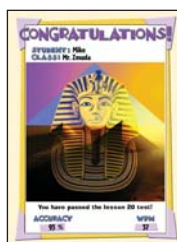

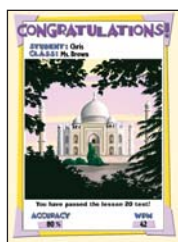

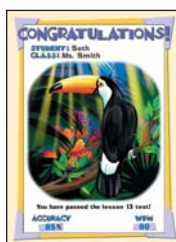

With a full array of tests that correspond to the 22 **Type to Learn<sup>®</sup>** lessons – starting with a home row review and concluding with typing symbols, punctuation, and number keys, this program contains flexible teacher control options that allow you to adapt it to any instructional situation.

## Learning Opportunities

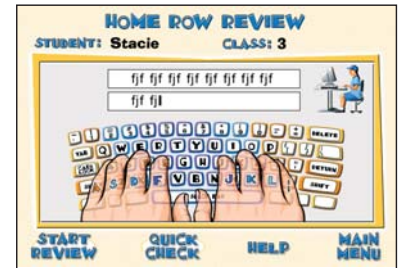

- Develops keyboarding skill and accuracy
- Complete Keyboarding Curriculum
- Practice and Assessment focus

## Special Features

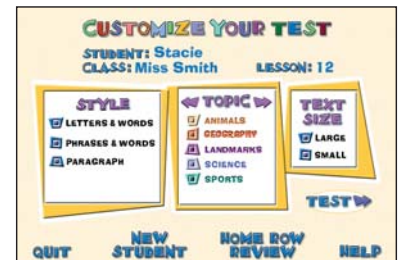

- Five high-interest content themes with three test styles
- Completely modifiable testing options – vocabulary levels, performance goals, timed tests
- Allow student to correct or repeat a test
- Enable student preference options
- A secure record-keeping and reporting system
- Printable student certificates

Students are rewarded with theme-oriented, personalized certificates

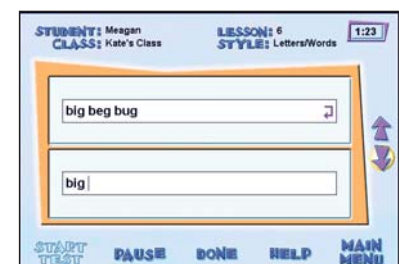

Home row review insures proper finger placement and posture.

Test level, font size, and subject matter can be customized to fit students' needs.

The paragraph style test includes auto text wrap, and scroll bars to review.

The *Letters & Words* style test presents material line by line.
