# Type Through Time

## NEW

Grades 3-and up. Increase speed and accuracy - and provide instruction for the numeric keypad - with 100 practice sessions that strengthen student keyboarding skills.

Four skills-building activities, based on a time-travel theme, motivate students with ongoing words-per-minute and accuracy reports and Top Ten performance lists. Modifiable vocabulary levels and sequential introduction of keyboarding content ensure students become adept at the keyboard with practice materials appropriate to their skill levels.

### EXTRA! EXTRA! TYPE ALL ABOUT IT!

**Time Bandits** - Students build speed and accuracy skills as they type to beat the clock in a challenge maze.

**Type Right** - Students reinforce mastered letter, number, and punctuation keystrokes typing text in short news articles.

**Type2Color** - Students learn and practice the numeric keypad as they add color to a news photograph.

**Keyboarding Corner** - Students get the scoop with keyboarding tips while short practice sessions reinforce proper keyboarding techniques and skills.
